

Now balancing your snacks has become even easier.

Green is good for you

Red is not as good

Yellow is somewhere in between

So add a little variety in your snacking routine.

Want to find out what color your favorite vending products are?

Visit www.nems-v.com and use the **Healthy Choices Calculator** to see if other snacks fit the criteria.

Nutrition standards for Nutrition Environment Measures—Vending (NEMS-V) are based on 2012 Health and sustainability Guidelines for Federal Concessions and Vending Operations (http://www.cdc.gov/chronicdisease/pdf/guidelines_for_federal_concessions_and_vending_operations.pdf)
